Derrick Jacobs,

In order for you to have ECF you first must ask your judge for permission to use it. So you must file something on your case asking the Honorable Harvey Bartle, III, to allow you to use ECF. Once the judge does an order granting your ECF, then I can process your application.

Ms Olson, I have been trying to contact the Clerk's Office for two days. I do not want to keep bothering you but you are the only that answered. I have hit all options available when calling the main number. I have left messages. I need to file a new complaint. I also need to respond to pending civil complaints. I would like to do the new complaints with ECF filing. Is this available to pro se litigants. I also would like to address the pending complaints in the ECF system. Two days without a response is not helping my situation. These are time sensitive issues.

Thank you,

Derrick Jacobs

Good Afternoon,

Please send all documents for filing via email to PAED_Documents@paed.uscourts.gov .   Please send a separate email per case.

You may also take documents to the clerk's office, there is a time stamp machine in the lobby of the courthouse which can be timestamped. This process will take longer since the clerk's office is closed to the public and the court has very limited staff in the office on a given day.

Thank you!
